

## ROAD RESTRICTION POLICY

Carlton County has set the road weight limit for gravel roads at 5-tons during restriction time periods.

Silver Brook Township agrees to adhere to the weight limit standards and regulations set by the County for all township roads.

At the Board's regular meeting on May 9, 2006, it was adopted by motion that the acting Road Supervisor may allow limited exceptions to the road weight limit.

Limited exceptions may be allowed in the event of emergency or one-time special circumstance on a case-by-case basis with prior notification and approval by the acting Road Supervisor
